Invite to the

AFC
ARCTIC FARRIER CONVENTION

19. - 20. february 2010

WE TAKE GREAT PLEASURE IN ANNOUNCING A REPEAT OF OUR PREVIOUS SUCCESS, AND INVITING YOU TO THE NEXT FARRIER EVENT IN OUR PREMISES AT VINTERBRO.

Moreover, we are proud to make known that Simon Curtis will be joining us on this special occasion. Simon Curtis has a long list of merits. He became a qualified farrier as early as in 1972 and became a Fellow of the Worshipful

Company of Farriers by examination. Since then, he has made a name for himself both in the farrier profession and the veterinary community. He has lectured and demonstrated farriery in 19 countries on five continents, including USA, Australia, India, Russia, South-Africa and Dubai. He has published three textbooks on farriery, as well as contributing numerous papers to professional journals. He is a Past Master of the Worshipful Company of Farriers (2001- 2002) and the first and only farrier to be awarded the Honorary Associate of the Royal College of Veterinary Surgeons(RCVS), which is the highest honorary to be awarded by RCVS to anyone who is not a qualified veterinary surgeon. In 2005, Simon was inducted into the International Farriers Hall of Fame at the Kentucky Derby Museum. He is also an honorary farrier with Racing Victoria. He is currently chairman of the Farriers' Registration Council.

Kevin Keeler, inventor of the Hoofjack hoof support system, will also be attending the event and will give us a demonstration of safe and correct use of the Hoofjack hoof support system. This will be the very first time a representative from Hoofjack attends an event here in Norway.

Dallmer will be giving us a demonstration on correct application of foals shoes.

There will be representatives present from Mustad, Double "S" and Vettec. This will also be the very first time Double "S" attends an event in Norway.
