## **EFFA Eurofarrier Educational Event, 14 and 15 October 2011 in Aarberg (Switzerland)**

The European Federation of Farriers Associations (EFFA) organises a training and competition camp every two years. This year, the event is being held from 14 to 15 October at the Vocational Training Centre of the Swiss Metal Union in Aarberg (Switzerland).

This event is intended to bring together instructors and learners, with the aims of exchanging knowledge and further training. Over the course of two days, interesting topics connected to farrier training will be dealt with, but students will also be put to the test physically and mentally. The motto of the training camp is therefore 'Look at what you are doing'. We will divide the camp into three sections: training (practical and theory), competition and sport. We will also offer training for instructors in the practice of teaching and educational methodology.

The training and competition camp is intended to be exciting for students and a welcome change for instructors, enabling them to check their level of training and compare it to that of other instructors. The practical and theory courses will be translated into three languages (German, French and English). According to the regulations, 4 students and 2 instructors or delegates from each nation may take part.

All participants are offered overnight accommodation at the civil defence facility in Aarberg. The cost of accommodation in the civil defence facility and catering costs are covered by the registration fee. There is a list of hotels enclosed for everyone who would like to make their own accommodation arrangements. Those who choose this option are responsible for making their own reservations. Travelling and hotel expenses will be borne by the participants.

**The registration deadline is 2 September 2011.**

The registration fee includes:

- for learners (incl. accommodation + catering) EUR 150.00
- for instructors or delegates (catering only) EUR 150.00
- for instructors or delegates (incl. accommodation and catering) EUR 200.00

After the registration deadline has expired, you will receive written confirmation from us with an overview of the final programme, the drawings, the competition tasks and directions on how to get here.

We look forward to experiencing an interesting and exciting training and competition camp with you!

Yours sincerely
